

Endure 150

Non Medicated Foam Hand Wash - 1.25 L Nexa

Features

- Endure 150 is a mild foaming formulation that is designed for high frequency hand washing.
- Endure 150 is an ultra mild low fragrance formulation gentle enough for repeated use and for sensitive skin, designed to leave hands feeling soft and smooth.
- Specially formulated for frequently washed hands, soap and latex free Endure 150 is pH 5.5 balanced and contains aloe vera and emollients to protect skin from drying, chapping, redness and other irritation.
- Endure 150 is delivered as 0.7 ml of aerated foam enabling easy coverage over the hands or body. The foam lathers up easily enabling good cleaning action to prevent infections and is free rinsing reducing the risk of residue leading to irritation.
- Endure 150's light fresh fragrance and mild free rinsing formulation is highly suitable for Patient Bathing.
- Endure 150's use rate of 0.7 ml reduces the frequency of pod replacement saving time and minimising plastic waste. The attractive and functional dispensing options complement any hand washing location.
