Endure 250

Non Medicated Head, Body & Hand Wash - 500 mL Pump, 750 mL Pump, 1.2 L NextGen

Features

- Personal hygiene for patients is an important part of maintaining self-esteem while undergoing care. It is also paramount in minimising skin infections. Endure 250 is specially formulated for fragile and elderly skin types and designed for self-application by patients.
- Endure 250 is a white pearlised lotion with a fruity fragrance, its formulation gentle enough for repeated use and for sensitive skin, designed to leave hands, body and hair feeling soft and smooth.
- Specially formulated for sensitive skin, soap and latex free Endure 250 is pH neutral balanced and contains aloe vera, pro-vitamin B5 and emollients to nourish and protect skin from drying, chapping, redness and other irritation.
- Endure 250 is delivered as 1ml lotion enabling easy coverage over the hands or body. Endure 250 foams up easily producing a luxurious lather enabling good cleaning action to prevent infections and is free rinsing reducing the risk of residue leading to irritation.
- Endure 250’s light fresh fragrance and mild free rinsing formulation is highly suitable for Patient Bathing.
- The attractive and functional dispensing options are designed to fit most footprint and space requirements, complementing any hand washing location.
- Endure 250 is available in a number of dispensing formats.
